### For Public Spaces

#### \_1 Wave Bench

So named for its undulating shape, this urban bench brings sculptural form to utilitarian function. It can be affixed to an existing wall or to a custom-built base.

**Materials** Sustainable Accoya wood

**Dimensions** 220 x 100 x 90 cm

**Designer** moveART, Switzerland

**Manufacturer** Burri Public Elements, Switzerland, [burri.world](http://burri.world)

#### \_2 Cuddly Seats + Family Table

Part of the Organic series, which includes amorphous benches and bullet-shaped litter bins, these chairs and tables achieve their graceful forms via 3-D modelling.

**Materials** Granite or concrete

**Dimensions** Cuddly, 84.5 x 83 x 82 cm,

660 kg; Family, 96 x 52 cm, 695 kg

**Finishes** Anti-UV acrylic-polyurethane varnish in black, white or red

**Designer** Matouš Holý, Czech Republic

**Manufacturer** Bellitalia, Italy, [bellitalia.net](http://bellitalia.net)

**Distributor** Malik Gallery Collection, [malikgallery.com](http://malikgallery.com)

#### \_3 Construqta Bench

Like the construction element it resembles – the truss-beam – this bench offers a stable seat.

**Materials** UHPC

**Dimensions** 47 x 262 x 45 cm

**Finishes** White or grey

**Designer** David Karásek, Czech Republic

**Manufacturer** mmcité, Czech Republic, [mmcite.com](http://mmcite.com)
